

SUMMER '21
PAID INTERNSHIP

Application Deadline: Saturday, May 14, 2021 — 11:59 PM

Program Dates: June 13th thru August 7th

General Information

THRIVE ON! Network is seeking hands-on research interns for our eight-week residential, intensive summer program based in Upstate, NY, entitled *Summer '21 Home Equity Initiative*. We want you to be a part of a team of dedicated, ambitious students who will investigate the inequities Kingston, NY residents face “Within 4 Walls”, through in-depth home quality assessments, and “Beyond 4 Walls” through an in-depth evaluation of community needs. We will then use the information collected to develop sustainable solutions by developing and advocating for changes in policies, programs, and funding. If interested, you will be able to create your podcasts, engaging newsletters, and run a crowdfunded non-profit campaign as part of our advocacy for change work!

This is a highly creative and versatile position that requires strong leadership, work ethic, independent research abilities, and deep experience in strategic planning and project development. THRIVE ON! is a fast-paced, demanding environment, and we need someone who will adapt and THRIVE through it!

Requirements

Ability to wear many hats!

Available to work on-site for the duration of the summer program

HS or GED required; Enrolled in college/university preferred; 2+ years of post-high school experience by the summer is also preferred

History working for/in the community

Excellent time management

Strong work ethic

Collaborative mindset

Ability to creatively problem-solve with work teams

Benefits

What can you expect from a summer position working at THRIVE ON! Network? More than you might think. It's truly a life-changing experience. Here are some things you can anticipate:

» Professional + Personal Development

We provide an excellent environment for professional growth with a diverse staff (e.g., University professors, community leaders, researchers, nonprofit leaders). We also hook you up with your very own personal and professional development coach! Unlike some summer jobs and internships that aren't much more than photocopying and paper-pushing, at THRIVE ON!, you'll have real responsibility and get real work experience. In addition, we will meet with you regularly during the summer to give you feedback, help you assess your performance, set goals, and improve your organizational and interpersonal skills.

» **Great Pay (Room and Board Included)**

With salaries starting at \$3,800 for eight weeks of service, our summer positions are generously compensated. Additionally, all meals and living arrangements are paid for.

» Fun!

You will be inspired to do more and better work than you ever thought imaginable. Your colleagues will also become some of your closest friends.

» Real-Life Impact!

You will be working to help address significant social challenges! You will learn from families what they have to deal with, work on ways to bring attention to them, and improve upon these issues.
